## GOVERNMENT'S STATUS REPORT

The defendants have been held at FMC Devens (“Devens”) while here in Massachusetts. Their transportation has been managed through normal business hours when Devens is most fully staffed. On Sunday, January 6, 2008, the defendants left Devens at/about 8:30 a.m. and returned at/about 4:45 p.m. Today, they left Devens at/about 9:00 a.m. and arrived at the hospital at/about 10:00 a.m. BOP expects to transport them back at 3:00 p.m. today in order to get them to Devens before 4:00 p.m. The number of staff at Devens is reduced after 4:00 p.m., making it more difficult to transport the defendants later in the day.

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney
